(503) 538-6205 ---- (866) 538-0006

Great Northwest Dictating Systems Inc. is a local **dictation equipment, conference recording equipment** and **repair service provider** located just outside of Portland, Oregon. We offer on-site personal service for the **States of Oregon and Washington.**

We offer proven and reliable:

- **Digital and Analog Dictation Equipment**
- **Digital Audio & Visual Conference Recording Equipment**
- **Technical Support For Both Technologies**

We are capable of assisting everyone, from the largest organizations to the single practitioner, with equal **professional attention.**

Great Northwest Dictating Systems has a knowledgeable team of experts with many **years of experience** in the dictation and conference recording equipment industry. This **knowledge has been attained through assisting the following professions:**

- **Legal**
- **Architecture**
- **Medical**
- **Transcription**
- **Insurance**
- **Private Investigation**
- **Engineering**
- **City-State & Federal Agencies**

Purchasing equipment such as dictators, transcribers and conference recording equipment can be done at your office. Our professional account executives come out to you and demo the products for you. You can make an educated decision!

Analog and Digital Dictation Repair service is provided **on-site** at your location -- no more boxing and shipping your equipment out of state for repairs. Most of our **repairs** can be done right there at your office; if not, loaners are available.

Digital Software Support can be done via our **Web Support System** for instant results.

Great Northwest Dictating Systems also carries dictation equipment accessories: foot pedals, microphones, headsets and more.

We are happy to help you make the right decision while purchasing through Great Northwest Dictating Systems Inc.
