TRANSCRIPTION KIT
ANALOG

A specialist transcription machine that helps your assistant cope with substantial workloads. Everything is designed for simplicity; a large digit LCD shows tape information at-a-glance, while user-friendly controls permit individual documents to be accessed at the touch of a button. To keep hands free, functions such as Play, Fast Forward and Rewind can be utilized via the Foot Control. Plus, you can set Playback speeds, Volume and Tone levels to your own personal preferences.
